## POSTAL & ROOM AUCTION 26th October 2013

Welcome to the Society's Postal & Room auction. Postal bids are welcomed but must be received by the auctioneer no later than **Tuesday 22nd October**, with your name & address shown clearly. Lots will be purchased at one step above the next highest bid, subject to the reserve price quoted. Where bids at the same level are received, the earliest received by the Auctioneer shall take precedent. Please read the notes on the reverse of the form. Please note the new address at the bottom of this page.

This is one of the largest room auctions the Society has held and includes some excellent lots from a variety of vendors. Items of note include Valentine envelopes with wrapper bands, STO 10-imprint envelopes, KGV STO 4d envelopes, triple STO envelope, used Hong Kong stationery and some fine mint cards. The major part is GB material but also included are some fine mint overprinted GB for use in British Bechuanaland, Levant card used as well interesting overseas material. Good luck bidding!

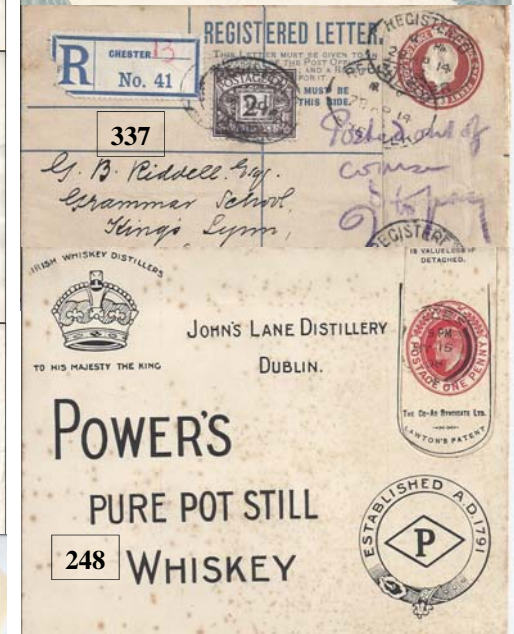

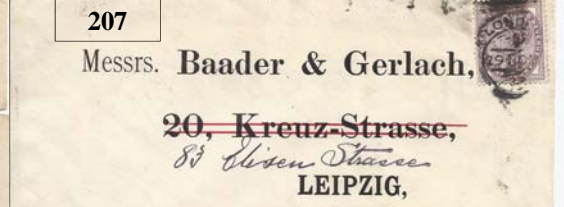

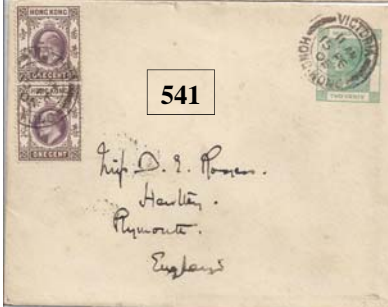

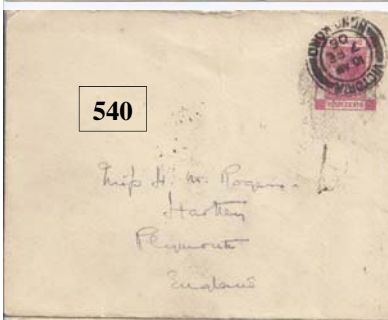

Reference numbers used are those of Huggins & Baker 2007 or Higgins & Gage (H&G). Other catalogues where used will be stated. The following abbreviations are used: STO means stamped to order, NVI means no value indicated, CTO cancelled to order, FDI first day of issue, a '+' between values means a combination franking, (hrr) means hinge remains on rear. Price quoted for each lot is the **Reserve** price

Photocopies are available from the auctioneer at a cost of 10p per b/w copy or 50p per colour copy, together with an sae. A limited number of scans can also be sent.

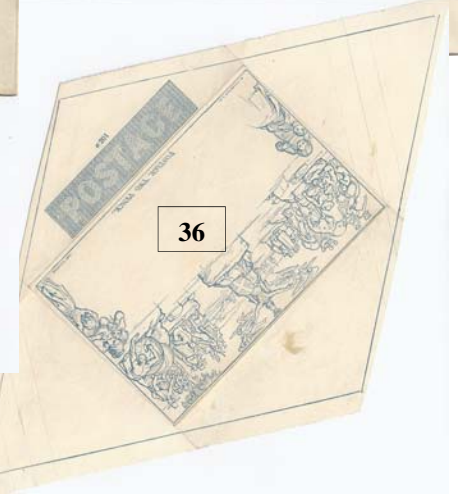

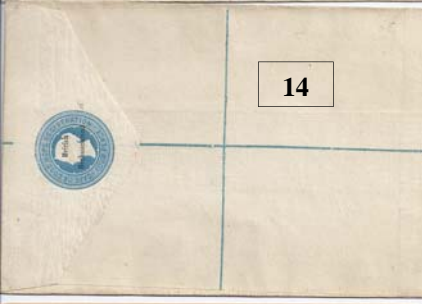

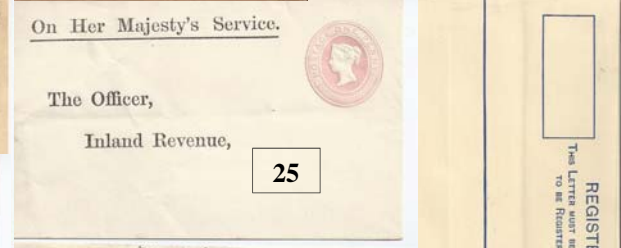

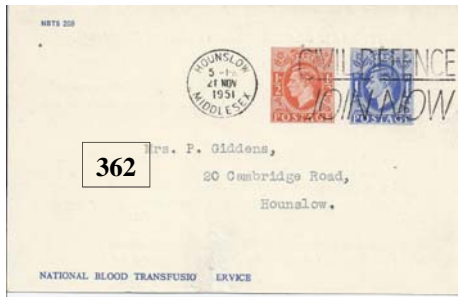

Lots will be forwarded to postal buyers as soon as possible via the Royal Mail. A Postage and Packing charge will be made subject to a minimum charge of £1. Please indicate posting preference on the form.

**All bids & correspondence should be addressed to the Society's Auctioneer
