Notes Regarding Postal Bidding

These notes supplement the Postal Stationery Society's Postal Bid Sales and Auction Rules. All members have been provided with copies of these, but additional copies are available from the **secretary** on receipt of a stamped addressed envelope or international reply coupon.

1. Photocopies of items in the sale will be available at a cost of 10p black and white or 50p colour per A4 sheet. Requests for photocopies should be made to the auctioneer, Neil Sargent, in plenty of time, and should be accompanied by the cost of the photocopies requested together with a large stamped addressed envelope or international reply coupons. Payment for photocopies should be made by cheque (made payable to Neil Sargent) or by GB mint stamps with full gum. There is a limit of 10 photocopies per member for each auction.
2. There is no buyer's premium or other charge with this auction. Successful bidders will be asked to pay only the hammer price and the cost of postage and packing as appropriate, subject to a minimum of £1.10
3. Please enter details of your bids on the front of this form. Please check your bids carefully, as it may be difficult to correct mistakes at a later date. The bidding form must be signed and dated, and submitted to the auctioneer by the closing date for postal bids given on the front of the auction catalogue.
4. All bids must be made in £ (pounds sterling) in amounts equal to the published bidding steps. Bids which do not match the bidding steps will be rounded down to the next bidding step.
5. Enter the maximum price you wish to pay for a lot. The auctioneer will use this figure to purchase the lot on your behalf at the lowest possible price, subject to other postal bids received prior to the auction taking place.
6. Lots will be purchased on behalf of postal bidders at one bidding step above the next highest bid received.
7. Where two bids of the same value are received for the same lot, the first bid received by the auctioneer will take preference.
8. Postal bids will be entered by the auctioneer on behalf of members, to the best of his ability. While every care will be taken, neither the Society nor its officers may be held liable for any errors or omissions.
9. Lots purchased by postal bidders will be deemed to be their property at the fall of the hammer and will be sent by post to their home address at their own risk, unless otherwise requested by them. Therefore please indicate on the front of this form which method of post you wish the Society to use.
10. Bidding steps are 50p to £5, £1 up to £30 and £2 up to £100 and £5 thereafter. Bidding steps can be varied at the Auctioneer's discretion.
11. Copies of the Auction Rules are available from the Secretary on receipt of an sae.
12. Bids should be submitted on the attached form.
