I am delighted to produce another auction catalogue with a range of rare, unusual and interesting items for our members. Please look through the catalogue in detail; there are excellent and rare KGV & KGV1 registered envelopes, early Mulreadys & caricatures; KGV1 multi dies on sheets etc. In addition, we are including the balance of John Sinfield of Australia's collection of modern items—many with no reserve. Please remember the Huggins & Baker catalogue and pricing is over 10 years old and values have changed. If you have any concerns or worries about bidding, please do not hesitate to contact me. Bids can be accepted by email as well as by post. Scans of lots can be sent electronically. Your bids remain confidential with the auctioneer bidding on your behalf. There is no 'buyers premium' or VAT to added. Postage costs are kept to the minimum - so please bid freely and perhaps acquire that elusive item!

Reference numbers used are those of Huggins & Baker 2007 or Higgins & Gage (H&G). Other catalogues where used will be stated. The following abbreviations are used: STO means stamped to order, NVI means no value indicated, CTO cancelled to order, FDI first day of issue, 'emb' means embossed, a '+' between values means a compound franking, (hrr) means hinge remains on rear.

Price stated for each lot is the **Reserve Price**

Photocopies are available from the auctioneer at a cost of 10p per b/w copy or 50p per colour copy. together with an sae. A limited number of scans can be sent if requested by email. Email bids accepted.

Lots will be forwarded as soon as possible via the Royal Mail to postal bidders. A Postage and Packing charge will be made subject to a minimum charge of £1.10, subject any Royal Mail increases. Overseas mail will be sent 'tracked' etc unless specified otherwise and at buyers risk.

**All bids & correspondence should be addressed to the Society's Auctioneer**

## Notes Regarding Postal Bidding

These notes supplement the Postal Stationery Society's Postal Bid Sales and Auction Rules. All members have been provided with copies of these, but additional copies are available from the **secretary** on receipt of a stamped addressed envelope or international reply coupon.

1. Photocopies of items in the sale will be available at a cost of 10p black and white or 50p colour per A4 sheet. Requests for photocopies should be made to the auctioneer, Neil Sargent, in plenty of time, and should be accompanied by the cost of the photocopies requested together with a large stamped addressed envelope or international reply coupons. Payment for photocopies should be made by cheque (made payable to Neil Sargent) or by GB mint stamps with full gum. There is a limit of 10 photocopies per member for each auction.

2. There is no buyer's premium or other charge with this auction. Successful bidders will be asked to pay only the hammer price and the cost of postage and packing as appropriate, subject to a minimum of £1.10

3. Please enter details of your bids on the front of this form. Please check your bids carefully, as it may be difficult to correct mistakes at a later date. The bidding form must be signed and dated, and submitted to the auctioneer by the closing date for postal bids given on the front of the auction catalogue.

4. All bids must be made in £ (pounds sterling) in amounts equal to the published bidding steps. Bids which do not match the bidding steps will be rounded down to the next bidding step.

5. Enter the maximum price you wish to pay for a lot. The auctioneer will use this figure to purchase the lot on your behalf at the lowest possible price, subject to other postal bids received prior to the auction taking place.

6. Lots will be purchased on behalf of postal bidders at one bidding step above the next highest bid received.

7. Where two bids of the same value are received for the same lot, the first bid received by the auctioneer will take preference.

8. Postal bids will be entered by the auctioneer on behalf of members, to the best of his ability. While every care will be taken, neither the Society nor its officers may be held liable for any errors or omissions.

9. Lots purchased by postal bidders will be deemed to be their property at the fall of the hammer and will be sent by post to their home address at their own risk, unless otherwise requested by them. Therefore please indicate on the front of this form which method of post you wish the Society to use.

10. Bidding steps are 50p to £5, £1 up to £30 and £2 up to £100 and £5 thereafter. Bidding steps can be varied at the Auctioneer's discretion.

11. Copies of the Auction Rules are available from the Secretary on receipt of an sae.

12. Bids should be submitted on the attached form.
