

## THE POSTAL STATIONERY SOCIETY

## **ROOM & POSTAL AUCTION Saturday 2nd October 2021**

Welcome to our Society's room and postal auction to be held at our meeting at the Royal. Having come out of lockdown, hopefully the meeting will go ahead as normal - if not, then the auction will revert to being a postal auction only. It is great getting back to a degree of normality with the recent Midpex fair being excellent and reasonably well attended.

This auction is slightly different in having only just over 200 lots entered. This is in an effort to include some better quality items but also to include illustrations of all lots included. This is hoped to assist postal bidders with a better idea of the lots for sale and to improve the number of bidders for the auction. There is some excellent material included with a large number of stamped-to-order items with a rare used 6-die envelope to Canada; other QV STO items; some excellent KGV cards & envelopes; registered envelopes, OHMS Factory lettersheet and a wide range of cut-outs and cut squares. QEII is represented by Stamford Mercury items; a fine sheet of 30 self-adhesive ½p together with some bulk lots of airletters & registered envelopes from the Channel Islands, Isle of Man and India.

Whilst I have taken every care in numbering the pictures, where there is any difference, the catalogue description takes precedent.

If you have any concerns or worries about bidding, please do not hesitate to contact me. Bids can be accepted by email as well as by post. Scans of lots can be sent electronically. Your bids remain confidential with the auctioneer bidding on your behalf. There is no 'buyers premium' or VAT to add. - so please bid freely and perhaps acquire that elusive item! Good luck with your bids!

Reference numbers used are those of Huggins & Baker 2007 or Higgins & Gage (H&G). Other catalogues where used will be stated. The following abbreviations are used: STO means stamped to order, NVI means no value indicated, CTO cancelled to order, FDI first day of issue, 'emb' means embossed, a '+' between values means a compound franking, (hrr) means hinge remains on rear.

Price stated for each lot is the Reserve Price

Photocopies are available from the auctioneer at a cost of 10p per b/w copy or 50p per colour copy together with an sae. A limited number of scans can be sent if requested by email. Email bids accepted.

Lots will be forwarded as soon as possible via Royal Mail. A Postage and Packing charge will be made subject to a minimum charge of £1.10.Non UK mail will be sent by 'tracked or signed for service' only, Non UK members are liable for any custom duties or VAT charged on receipt.

All bids & correspondence should be addressed to the Society's Auctioneer

## **Notes Regarding Postal Bidding**

These notes supplement the Postal Stationery Society's Postal Bid Sales and Auction Rules. All members have been provided with copies of these, but additional copies are available from the **secretary** on receipt of a stamped addressed envelope or international reply coupon.

- 1. Photocopies of items in the sale will be available at a cost of 10p black and white or 50p colour per A4 sheet. Requests for photocopies should be made to the auctioneer, Neil Sargent, in plenty of time, and should be accompanied by the cost of the photocopies requested together with a large stamped addressed envelope or international reply coupons. Payment for photocopies should be made by cheque (made payable to Neil Sargent) or by GB mint stamps with full gum. There is a limit of 10 photocopies per member for each auction.
- 2. There is no buyer's premium or other charge with this auction. Successful bidders will be asked to pay only the hammer price and the cost of postage and packing as appropriate, subject to a minimum of £1.10
- 3. Please enter details of your bids on the front of this form. <u>Please check your bids carefully, as it may be difficult to correct mistakes at a later date</u>. The bidding form must be signed and dated, and submitted to the auctioneer by the closing date for postal bids given on the front of the auction catalogue.
- 4. All bids must be made in £ (pounds sterling) in amounts equal to the published bidding steps. Bids which do not match the bidding steps will be rounded down to the next bidding step.
- 5. Enter the maximum price you wish to pay for a lot. The auctioneer will use this figure to purchase the lot on your behalf at the lowest possible price, subject to other postal bids received prior to the auction taking place.
- 6. Lots will be purchased on behalf of postal bidders at one bidding step above the next highest bid received.
- 7. Where two bids of the same value are received for the same lot, the first bid received by the auctioneer will take preference.
- 8. Postal bids will be entered by the auctioneer on behalf of members, to the best of his ability. While every care will be taken, neither the Society nor its officers may be held liable for any errors or omissions.
- 9. Lots purchased by postal bidders will be deemed to be their property at the fall of the hammer and will be sent by post to their home address at their own risk, unless otherwise requested by them. Therefore please indicate on the front of this form which method of post you wish the Society to use.
- 10. Bidding steps are 50p to £5, £1 up to £30 and £2 up to £100 and £5 thereafter. Bidding steps can be varied at the Auctioneer's discretion.
- 11. Copies of the Auction Rules are available from the Secretary on receipt of an sae.
- 12. Bids should be submitted on the attached form.
