

THE POSTAL STATIONERY SOCIETY

POSTAL AUCTION Closing 5pm FRIDAY 5th APRIL 2024

Welcome to the Spring postal auction catalogue. This catalogue as usual contains a wide selection of stationery with a particular emphasis on QEII issues including scarcer stamped-to-order material. There is a selection of items from a Portuguese Colony archive with Ultramar and Colonias overprints, range of Specimens, very rare part Admiralty Enrolment forms (as opposed to cut-outs), interesting Victoria and the Kings and a decent range of non GB lots. Hopefully you will find something to tempt you!

If you email your bids, please make sure you get an email reply from me to ensure that I have received your bids OK. Your bids remain confidential with the auctioneer. When considering 'catalogue values' please remember the Huggins & Baker catalogue was issued 17 years ago and values & demand will have changed over the years!

There is no Buyers Premium payable or VAT and postage charges are kept to a minimum.

The following abbreviations are used: STO means stamped to order, NVI means no value indicated, CTO cancelled to order, FDI first day of issue, 'emb' means embossed, a '+' between values means a compound franking, (hrr) means hinge remains on rear.

Price stated for each lot is the **Reserve Price**
